

INDICATORS

T2 PRENATAL CARE

Late or No Care

STORY BEHIND THE CURVE

DITTO

Pushing UP - Factors

- Lack of Education
- Lack of access to medical home
- Insurance constraints or lack of ins. (access to care)
- Fear of authority (Dr.'s CPS, etc.): Immigration
- Transportation
- Time Constraints
- Lack of support
- Single parents
- Age of mother
- Location-zip codes (rural areas)
- Repeat teen pregnancies
- TEA
- Basic Needs
- *Affordable housing in City (downtown)**
- Assumptions about birth being natural process
- Employment (not supportive)

Pushing Down - Factors

DITTO

- *Better Tracking (less unknowns)*
- More Awareness
- Home visitation (evidence-based programs)
- Community Clinics (expanding?)
- *Affordable Healthcare Act*
- *More affordable housing North**
- *Employment (Supportive)*
