

# INDICATORS

T1 KINDER READY

## STORY BEHIND THE CURVE

### Factors Pushing Up

- Change in building leadership
- We are getting the data out—awareness
- Community/City initiatives like PreK4SA
- Curriculum/Assessments are aligned b/w early Edu & K
- Language assessment (how kids are tested)
- Cross sector collaborations common goals
- Common Assessment across district
- Employer Benefits
- Growing nurse family partnerships
- Dual generational programs
- Increase of TRS accreditation and/or H.S./EHS sites

### Factors Pushing Down

- Lack of caregiver engagement & education
- Change in building level leadership
- Lack of relationship/partnership between school district : partners-continuum
- Lack of community cohesiveness
- Lack of stable funding for childcare/EDI
- Vulnerability Rate
- Mobility/moving around
- Lack of transportation
- Access to...food/digital tech/resources→infrastructure
- Attendance
- Adult Literacy
- Kinder is undervalued
- Employer Benefits—Low income don't always have same access
- Not having Medical Home
- Health of family/Dual Generation
- High Crime Rate
- Toxic Stress of Poverty
